One of the helpline operators made a post concerning a newcomer calling to state they were at this meeting and the doors were not open, the post was taken in an offensive manner by the homegroup. It was also felt that this post went against our traditions in the sense that it was seen as governing and not serving.

- The vote for Johnny D. for H&I/PR Chair was suspended by the GSR's due to information that was brought to the ASC by the 24/7 homegroup voicing concerns about a post that was made on social media that was found to be offensive to the homegroup. The homegroup also felt that our traditions were broken concerning the post made. Johnny D. was not present at the ASC to make any additional comments. The GSR's voted to take their votes back to their homegroups for reconsideration due to the circumstances surrounding the post made on social media. Please note the concerns presented by 24/7 homegroup officer report for more information.
- 24/7 asked for suggestions to help their situation with their homegroup struggles. A suggestion was made to consider consolidating the two meetings into one. It was suggested to keep the location of the meeting that is showing more success in meeting attendance.
