**Concerns:**

Concern was brought up about checks not clearing even after being 2 months out. Kelly L will look into the issue and report back at the next ASC. Suggestion will be made to the treasurer to make timely deposits within 2 weeks of the ASC.

There was also discussion about who was supposed to pay for the Convention Committee's P.O. Box (the subcommittee or the Area) but there was never a perfect answer that was offered. Nothing could be found in policy that gave a definitive answer.

## **Old Business:**

The motion to keep the Zoom account open for another year was voted on and passed. It was also talked about that Kelly L would be losing access to the laptop that we have been using to hold the ASC on zoom. Talk was made about the Area possibly purchasing a laptop to be used for this purpose but nothing solid ever came from the conversation. Too many questions were still at play (Who would be responsible for the laptop? How much money to spend? Where to keep it? What to do with it after Zoom is no longer needed? ect...) The solution, until further notice, that was made was for both John H and Billinda N to bring their laptops so that we had two people available to hopefully guarantee that a laptop will always be available for use.

## **New Business:**

A Motion was made concerning increasing the pricing on our literature costs. This motion will be sent to the homegroups and come back next month for voting. Please refer to the attached Motion form.

Motion made by Johnny D, second by Dennis C, to reimburse Kelly L \$49.21 for printer ink, passed.

Motion made by Dennis C, second by Roxanne D, to send all excess money above the prudent reserve to Region for donation.

Chris W was nominated for the position of Policy and Procedures (Nomination Form attached) Nomination will go back to homegroups to gather questions.

There was also a lengthy discussion about a member being disruptive at meetings. Different suggestions were made ranging from speaking with the member to calling the cops.
