Concerns:

Regarding the concern about AA members coming to an NA meeting to speak, it is the position of the ASC to be of service not of governance so it is not up to the the ASC to tell someone what can or cannot be done but within the Homegroup there is more power. A Homegroup is welcome to make the decision that an AA member can not speak at their meetings.

Regarding changing cleantime requirements.... Any homegroup can make a motion to change anything in policy, the motion will then be sent back to all the homegroups to be voted on and then be brought back to the ASC.

Old Business:

We voted to approve altering the literature prices for our Area. There will be a 10% markup from the original NAWs pricelist on everything except the basic test to help Area cover shipping costs.

Questions were brought back for Chris W for Policy and Procedure nomination.

Have you ever not completed a service commitment? - no

Do you have a NA sponsor? - yes

Do you work steps? - yes

Nomination will now go back to homegroups for voting and be brought back for the next ASC meeting.

New Business:

None
