Officer and Subcommittee Reports

- **Chair:**

Absent – no report

- **Co-Chair:**

Vacant

- **Secretary:** John H

Report:

We got the minutes distributed via email on time last month. I hope everyone got the ok. Thanks to Micheal B for uploading them to the website, again.

I'm sorry to say I did not check the PO Box until today before the meeting. We received a \$100 donation from Embracing Reality.

It has also come to my attention that it may not be part of my job to check our mail—that it may be part of the treasurer duties since most of our mail is donations. Since we have two keys, and since neither one of us wants to fight over who gets more work to do, I'm sharing one with John C (our treasurer) so we can check the mail at each other's convenience until we work it out.

Concerns:

I would like to ask for a reimbursement of \$6.29 for the cost of scanning the original reports from last month for distribution with the minutes. I have the receipt.

Secretary note:

Committee minutes from their 3/14/23 meeting were sent to me via email by the co-chair Rich M. The report is included in the attached addendum. In addition, Rich asked the following questions be addressed at the ASC. I put the questions to the ASC attendees and have included the answers below.

Q: Is there a budget for H&I? How can we use those funds?

A: H&I is provided literature to meet the needs of the facilities they service. It is up to the H&I committee to submit literature order needs to the literature chair. The ASC treasurer reimburses the committee for printing costs of new schedules.

Q: Can the H&I/PR committee use the area's Zoom account for their meetings?

A: Yes. All service committees of the CPANA may use the area's Zoom account as long as it doesn't interfere with the monthly ASC meeting. (Contact the area chair or secretary for login information to start a meeting.)

Secretary Note:

When the area Chair reviewed these minutes, she tried to find a motion that was passed setting a budget for H&I/PR, but was unable to find one. She suggested I include the following in these minutes. It is an excerpt from the Financial section of the CPANA H&I/PR Committee Guidelines:

“The PR/H&I Subcommittee shall request capital as needed from the CPANA in order to responsibly carry out the purpose of the PR/H&I Subcommittee and the primary purpose of Narcotics Anonymous.”
