

Information Discussion Topic for CRSC and Regional Assembly

Issue

Should CRSC meet virtually, in person, hybrid or some other combination

One Option

Virtual meetings three times a year
and one live/hybrid meeting that
may include a Regional Assembly

What is a Regional Assembly

The regional assembly, conducted at least once a year by the RSC, brings group representatives together with the regional delegate to address issues affecting the fellowship worldwide.

~ P 87 A Guide to Local Services

A gathering of GSRs and RCMs, conducted by the RSC, to discuss issues affecting NA worldwide, usually in preparation for the biennial WSC meeting. ~ P116 GLS

History or Evolution?

The CRSC had a Regional Assembly at one time and some of you may have some firsthand experience.
